

Talking Points and Q/A

Hi, I am a volunteer with the Coalition for a Better Memphis and we wanted to take the time to inform the voters on who to vote for to continue moving Memphis in the right direction. I have the OFFICIAL Democrat and Republican Ballot. Would you like one or both? (If you are in Cordova you will also have the Citizens of Cordova Ballot)

Q: Who do you work for?

A: I'm volunteering for the Coalition of a Better Memphis

Q: Are you being paid?

A: I am a volunteer

Q: Why do you support these candidates?

A: These candidates have been endorsed by citizen groups to guide us to a better Memphis.

Q: Are you a republican or democrat?

A: This is a nonpartisan election, I have the republican and democrat official ballots. Which one would you like or would you like both?

Q: Where did you get these from?

A: We got them from the groups that made them. They let us share their official ballots.

Q: Why are you handing out the Republican Ballot?

A: Because the candidates here are endorsed by both Republicans, so we wanted you to see how crucial it is.

Q: Why isn't the sales tax referendum checked on the Cordova ballot?

A: It's your decision whether or not you want to vote for higher taxes.
